

ShortTerm (For Individuals)
MONTHLY RATE SHEET EFFECTIVE JANUARY 1, 2012
Calculating your rate

1. Rates are based on:
 - Applicant's age on the effective date and the benefit plan applied for, and
 - Duration of coverage selected
2. If more than one individual is applying for coverage, add each individual rate together to calculate the total monthly premium.
3. Dependents age 26 or older must apply separately for their own policy. When a covered dependent turns 26, they can transfer to their own policy without reapplying as long as the request to transfer is submitted within 31 days of the covered dependent's 26th birthday.
